## PETUNIA TUMBELINA CHERRY RIPPLE

Cherry Ripple is a stunning addition to the double petunia Tumbelina series. The blooms are bright coral red bi-colour mingled with white! It has a very compact pot habit.

## PETUNIA TUMBELINA DARCEY-ROSA

The showstopper Darcey-Rosa is the first green rim double petunia. It has good weather tolerance, good trailing habit and free flowering.

## PETUNIA TUMBELINA DIANA

Diana is the first pure white Tumbelina. It is early, very free flowering and has semi-double to double trailing blooms. Excellent weather resistance.
